The 8th Pilton Pantomime

Welcome to our latest production. After a one year sabbatical we are back with a vengeance!

Two years ago with Peter Pan, we managed to raise over four thousand pounds for local charities and Great Ormond Street Hospital. This year our nominated charities are locally based and in particular we hope to support the ongoing refurbishment of Pilton Church Hall. We hope to beat our record breaking total from two years ago and with your support we think we can!

A special thanks to Ken Gaunt & Furnfix for building a completely new set - our old one had seen its last performance! To Ian Brass for supplying the staging and once again to Albert Linacre for his splendid costumes.

Also, this is the first year of Pantomime for Chris Hewitt, the Landlord of the Chichester Arms, and we would like to take this opportunity to thank him for his good natured support and patience during rehearsals.

Thank You !
